Shield Proposal Number P2016-218**

Dear Mr. Kam:

Shield Engineering, Inc. (Shield) is pleased to submit this Work Plan and Cost Proposal in response to the North Carolina Department of Environmental Quality (NCDEQ) Pre-Regulatory Landfill Unit's (Unit's) Request for Remedial Activities – Task Order 741RA-1: Meeting, dated May 9, 2016.

SCOPE OF SERVICES

Shield will conduct a file review of the previous reports completed by others. We will then attend a site meeting with the Unit. During the site meeting with the Unit project manager, Shield will be able to discuss the "site investigation as well as remedial options to mitigate the risks to human health and the environment identified during the remedial investigation."

COST PROPOSAL AND STAFFING

A cost proposal with staffing and the breakdown of estimated costs for this phase of work is attached in Appendix A. The charges for the services, labor, and expenses by Shield are based on the Unit's Fee Schedule.

AUTHORIZATION

Shield will complete the work described above in accordance with the State Contract No. N15003i. If you have any questions or comments with regard to this Work Plan, please do not hesitate to contact us.

Sincerely,
Shield Engineering, Inc.
